Acknowledgement

First of all, I acknowledge from the bottom of my heart and pay due respect and regards to the Almighty God for his unlimited grace and kindness in completion of this holy and precious work.

I pay my sincere regards to all the Teachers, Faculty members and Mentors during my School, Graduation, Post Graduation and Doctor of Philosophy (Ph.D).

I am highly grateful to all my Bachelor of Engineering/Technology, Master of Business Administration (MBA) and Ph.D students at Delhi Technological University (Formerly, Delhi College of Engineering), Delhi.

I place my special gratitude to my Late Grand Mother Mrs. Laxmi and moreover, I extend my due regards to my Grand Father Mr. Pyaree Lal.

I want to acknowledge and pay regards to all my family members, friends and colleagues.

A special thanks and regards to my respected and caring mother Mrs. Tara Wati and my humble and guiding father Mr. S.R. Singh.

Moreover, I want to acknowledge and pay regards to my loving and caring wife Mrs. Meenakshi Chaudhary for her continuous patience and never ending support.

I like to extend my sincere regards to my two princely younger sisters Ms. Ashima Chaudhary & Ms. Neha Chaudhary for their motivation and encouragement to do this pious work.

This holy work is having the support of my two lovely kids, Ms. Siddhi Chaudhary and Master Arnav Chaudhary, for their love, faith, warmness, kind nature and patience for completing the editing work.

Finally and most importantly, I am deeply grateful to you, the Professor, Students and Professionals for using this valuable book and moreover, I would like to hear from you as you are my valuable and learned readers.

Thank You!

Dr. Abhinav Chaudhary
